

# Team REEL Action ... more experience, more boats, more fish!

Captain/owner - Scott Gutschow

Reel Action is Door County's charter fishing leader and your best choice if you want to catch more and bigger fish! With four big boats and eight team members who constantly share information, you'll always be on fish, guaranteed!

Captain Scott is a third generation Lake Michigan fisherman who has assembled an experienced, hard working team that will work together to maximize your enjoyment.

## Headquartered in Sturgeon Bay, the best place to fish Lake Michigan

Sturgeon Bay and the Door County area are known for fishing diversity and the potential for trophy fish.

Because you have access to both the "Big Pond" and Green Bay via the Sturgeon Bay canal, you have more species to fish for. And, the area is known for record-book fish of many species.

(See "What Do You Want To Catch?")

BIG 48' Viking!

## Four fully-rigged big water boats

Team Reel Action stays on fish by operating four comfortable, fully-equipped charter boats virtually every day, all summer. Powered by twin engines, these boats have fly bridges and full bathrooms, are designed to easily fish up to six people, and are stable, even in the roughest water.

## Perfect for serious fisherman, families and corporate outings

Reel Action will cater to the type of fishing you want. If you're serious and want to chase the big one, nobody does it better! If you want to bring the family, have fun and catch some big fish, we love to do that, too. If you're looking for a unique corporate outing, for up to 30 or 40 people, call Reel Action!

## World class smallmouth bass and walleye fishing

In-Fisherman magazine ranks the Sturgeon Bay area of Green Bay one of the best smallmouth bass spots in the entire U.S.! And, the area's average walleye size is largest among MWC, PWT and NAWA walleye tournament stops.

Team Reel Action runs a fleet of bass/walleye boats and nobody knows the area better!

walleye boats and nobody knows the area better!

"I've fished a lot of great trophy walleye spots. For my money, Door County is King. Team Reel Action knows where, when and how to target these world-class fish."

Wayne Horn  
Kiel, WI

## Reel Action hits the ice, too!

Reel Action will take you on a guided ice fishing trip, too. All equipment is provided. Permanent and portable houses. By truck, snowmobile or 4-wheeler. And, the guide stays with you!

## What do you want to catch?

### Reel-screaming Kings (best - July and August)

The Lake Michigan lake record and a line class world record King Salmon were caught out of Sturgeon Bay. Many consider the nearby "Bank Reef" to be the very best trophy King spot on all of Lake Michigan!

### Acrobatic Rainbows (June/July)

Everyone loves to tangle with the leaping Steelhead. The Wisconsin state record Steelhead was caught in the Door County area!

### Big, Bad Brown Trout (March/April or September/October)

There is a state record Brown Trout swimming around in Lake Michigan right now... waiting for you to catch him.

### Monster Pike (March/April)

It's no secret why Green Bay's Northern Pike get so large. They have a smorgasbord of forage species. This results in a fair number of 20 pound fish being caught each year.

### Wall-hanger Walleyes (March through May or September through November)

If you want a 10 lb. plus Walleye, Green Bay is the place to go. It may be cold and it may require fishing at night, but you won't find a better place to catch that elusive wall-banger!

### Trophy Smallmouth Bass (May through October)

In-Fisherman Magazine ranked Green Bay as one of the top ten places in the country to catch a big bronzeback! And nobody knows the spots better than Reel Action Charters!

### Jumbo Perch (Ice fishing)

Reel Action will also take you ice fishing for Green Bay's famous jumbo perch!
